

noris offers companies customized IT solutions in the areas of IT outsourcing, Cloud Services and Network & Security. Technological basis of these services is a powerful IT infrastructure that relies on noris network's own high-performance backbone and multiple high-security data centers.

We are constantly looking for IT specialists (f / m) with a vision! Join our team in **Thessaloniki** as

DevOps Automation Engineer (f/m)

Modern Technologies like puppet, foreman, ansible, thoughtworks go are not unknown to you? You want to be part of the transition from the "old-fashioned" to the "new-fashioned" and automated World? You want to change the World by one Click? Then send us your CV!

Responsibilities:

- Manage and monitor systems and infrastructure
- Develop custom deployment scripts and automation tools
- Help in the design of system management tools
- Configure production, development and testing environments and ensure availability of relative application services
- Write code to automate repeatable processes
- Resolve configuration-related problems
- Write documentation for custom tools

Your profile:

- You bring experience in cloud technologies, preferably OpenStack, Docker, Kubernetes, Open Shift, Ceph
- Linux-Expert – especially Debian, CentOS and/or more
- Experience with Services (e.g. Apache, nginx, Redis, MySQL, Postgress, Shellsript, ...)
- Experience with Automation Tools and DevOps best practices (puppet, foreman, ThoughtWorks Go, Jenkins, ...)
- Solid networking knowledge (TCP/IP, Load-Balancer, Firewall, Routing, DNS, ...)
- A high level of teamwork and communication skills, independent, structured and solution-oriented work, engagement and a high readiness for action and willingness to learn will complete your profile
- Excellent organising, prioritising and multitasking abilities
- Excellent written and spoken English and/or German skills
- Willingness to travel

Interested? Then do not hesitate! We look forward to receiving your application with the earliest possible entry date, ideally via email.

Need help? Contact us! We will be happy to assist you with further questions.
