

noris offers companies customized IT solutions in the areas of IT outsourcing, Cloud Services and Network & Security. Technological basis of these services is a powerful IT infrastructure that relies on noris network's own high-performance backbone and multiple high-security data centers.

We are constantly looking for IT specialists (f / m) with a vision! Join our team in Thessaloniki as

Senior Database Engineer Oracle (f/m)

If you value personal responsibility, short decision-making paths and looking for new challenges then send us your CV!

Responsibilities:

- Development of solutions for the operational requirements of Oracle databases and support for our customers as a technical contact
- Planning and operation of Oracle database systems and clusters in 3rd level as well as support for 2nd level operations
- Analysis and sustainable correction of possible sources of error and malfunctions
- Be the main responsible person for this specialist area and further development of the technology in the company
- Coordination and independent planning of changes in cooperation with customers
- Supporting the project teams in customer projects as expert in your own field
- Identification and optimization of recurring processes and development of automation solutions.

Your profile:

- Successfully completed training as IT specialist for system integration or application development or a comparable qualification
- At least three years of experience in operating Oracle database systems
- Sound knowledge of handling and administration of Linux systems
- Experience in dealing with Oracle, DataGuard, GridControl, RAC, Exadata, ODA, RMAN, etc. would be an advantage
- Knowledge of PL / SQL
- Design and implementation of highly available Oracle environments (e.g. RAC cluster)
- Excellent organising, prioritising and multitasking abilities
- Excellent written and spoken English
- German knowledge is a bonus
- Willingness to travel

Interested? Then do not hesitate! We look forward to receiving your application with the earliest possible entry date, ideally via email.

Need help? Contact us! We will be happy to assist you with further questions.

noris M.I.K.E.
