Who is noris:

noris is a high-tech company specialized in IT and one of the best working environments in Greece according to Great Place to Work® and the annual assessment survey of Best Workplaces™ in Tech Hellas 2023. It was founded in 2016 in Thessaloniki and it is a subsidiary of noris network AG, which has over 30 years of experience in IT technologies in Germany. The company provides customized IT solutions in the areas of IT outsourcing, Cloud Services and Network & Security. Technological basis of these services is a powerful IT infrastructure that relies on noris network's own high-performance backbone and multiple high-security data centers which are located in Nuremberg and Munich.
