

noris offers companies customized IT solutions in the areas of IT outsourcing, Cloud Services and Network & Security. Technological basis of these services is a powerful IT infrastructure that relies on noris network's own high-performance backbone and multiple high-security data centers.

We are constantly looking for IT specialists (f / m) with a vision! Join our team in **Thessaloniki** as

Senior Cloud Expert (f/m)

Modern technologies such as OpenStack or Docker are known to you? You feel at home in distributed systems and have a strong background in software development and system administration? Then noris offers an exciting and varied position at the cutting edge of cloud computing for your future!

Responsibilities:

- You design and extend our cloud platforms in cooperation with our system architects based on open source technology
- In an agile team you are the direct contact for our communication partner
- You plan and lead changes (according to ITIL) taking into account the service level agreements (SLAs)
- You develop and improve the automation of the existing infrastructure
- You are involved in the operation of the various services and platforms

Your profile:

- You bring experience in cloud technologies, preferably OpenStack, Docker, Kubernetes, Openshift, Ceph
- You speak one or more scripting / programming languages, preferably Perl, Python, Ruby
- Your knowledge of Linux, especially Debian, are on LPIC-2 level and you already manage servers using tools like puppet or similar
- Experience in project management methods like Scrum or Kanban
- You have in-depth knowledge in Apache, Exim, Git, Foreman, KVM and XEN, Jenkins / GoCD and ansible
- Solid networking knowledge (TCP/IP, Load balancer, Firewall, Routing, DNS, ...)
- A high level of teamwork and communication skills, independent, structured and solution-oriented work, engagement and a high readiness for action and willingness to learn will complete your profile
- Excellent written and spoken English and / or German skills
- We expect a willingness to travel

Interested? Then do not hesitate! We look forward to receiving your application with the earliest possible entry date, ideally via email.

Need help? Contact us! We will be happy to assist you with further questions.
