noris offers companies customized IT solutions in the areas of IT outsourcing, Cloud Services and Network & Security. Technological basis of these services is a powerful IT infrastructure that relies on noris network's own high-performance backbone and multiple high-security data centers.

We are constantly looking for IT specialists (f / m) with a vision! Join our team in **Thessaloniki** as

VMware vSphere Expert (f/m)

If you value personal responsibility, short decision-making paths and looking for new challenges then send us your CV!

Responsibilities:

- You design and extend our high available vSphere-Plattforms

- In an agile team you are the direct contact for our communication partner

- You plan and lead changes (according to ITIL) taking into account the service level agreements (SLAs)

- You have problem-solving skills and solve problems effectively

- You automate repetitive tasks and identify potential for improvement

Your profile:

- You bring experience on VMware vSphere

- Solid networking knowledge (all Network Layers, Load balancer, Firewall, Routing, DNS)

- Ideally experience with other VMware products such as NSX, vSAN, vRealize

- A high level of teamwork and communication skills, independent, structured and solution-oriented work, engagement and a high readiness for action and willingness to learn will complete your profile

- Excellent written and spoken English and / or German skills

- We expect a willingness to travel

Interested? Then do not hesitate! We look forward to receiving your application with the earliest possible entry date, ideally via email.
