noris offers companies customized IT solutions in the areas of IT outsourcing, Cloud Services and Network & Security. Technological basis of these services is a powerful IT infrastructure that relies on noris network's own high-performance backbone and multiple high-security data centers.

We are constantly looking for IT specialists (f / m) with a vision! Join our team in **Thessaloniki** as

Citrix Expert (f/m)

If you appreciate personal responsibility and like short decision-making processes and new challenges, then we would like to have you as a member of our team

Responsibilities:

- You support internal and external **Citrix** environments
- You have problem solving skills and solve problems effectively
- You are responsible for continuous improvement and development of the **Citrix infrastructure** as well as performance and trend analysis
- You act as an IT expert and work across all teams and departments internally as well as supporting external customer projects in **Citrix** environments

Your profile:

- Long-term experience in designing and operating in **Citrix** environments
- Very good knowledge in **Citrix XenApp / XenDesktop, Profile Management, Storefront, Netscaler VPX**
- Good knowledge in **MCS, PVS** and **Microsoft ActiveDirectory incl. GPO** is advantageous
- Experience in methods like Scrum and Kanban are beneficial
- High amount of quality awareness, ability to work independently, well-structured and solution oriented
- Very good team-player and willingness to learn new things
- Excellent written and spoken **English** (German knowledge is a bonus)
- Willingness to travel

Interested? Then do not hesitate! We look forward to receiving your application with the earliest possible entry date, ideally via email.

Need help? Contact us! We will be happy to assist you with further questions.
