

### noris at TechSaloniki

Ο Στέλιος Γκίκας, CEO της **noris MIKE** μοιράζεται τους λόγους για τους οποίους η εταιρεία επέλεξε στρατηγικά τη Θεσσαλονίκη προκειμένου να επεκτείνει τις δραστηριότητές της. Η Noris ιδρύθηκε το 2016 στη Θεσσαλονίκη και είναι θυγατρική της **noris network AG**, η οποία έχει πάνω από 25 χρόνια εμπειρίας στις τεχνολογίες πληροφορικής στη Γερμανία.

#WhyThessaloniki  
Stay Local! Grow Global!

“

Noris was founded in 2016 in Thessaloniki and it is a subsidiary of **noris network AG**, which has over 25 years of experience in IT technologies in Germany.

A **significant number of talented** young people who graduate every year from IT schools located in the city, **motivated** us to choose Thessaloniki.

Many **TECH** companies lately have started business in Thessaloniki because of the **great pool of talented people!**

Although many Greeks -especially from the IT sector- have moved abroad in order to find a job, the **TECH-ecosystem** of Thessaloniki is here to show that people **do not need to leave** the city to find better working conditions.

Thessaloniki, is a beautiful, hospitable city and as we can see has advantages.

STELIOS GIKAS  
CEO, noris
